## HAPPY GOLDEN YEAR FR GRAHAM

### **The Last Post!**

As this is my last newsletter post as Parish Priest of St Joseph's I would like to take the opportunity to express my deep gratitude to everyone who has made this Parish such a wonderful community of faith. You have taught me so much of what it is to be a Pastor and Priest. Not that community life is plain sailing even in the Church. But if we keep our eyes fixed on the Lord and together we move forward. If we keep our eyes on Christ then we do not have to be fixated about the shortcomings of ourselves or those around us. So there are many people who I should thank for their support over the past twenty years. That has enabled me to reach retirement!!

Now we welcome Fr Odinaka into the Parish to continue the journey. He will bring a new energy and a renewed vision to the Parish I am sure. Having worked in the Cathedral for some years and before that at Redcliffe he will bring that experience to the Parish as well. I pray that the Holy Spirit rest on him as he takes up the ministry here. I pray too that the Spirit may continue to inspire all in the Parish in the years ahead.

May a New Year and a New Parish Priest bring an abundance of blessings on the Parish. Hopefully 2021 by the grace of God and the dedication of so many health workers will be Covid-19 free!

## GOSPEL COMMENTARY

The feast of the Epiphany has a rich history, especially in the early centuries of Eastern Christianity. It was like a colourful tapestry woven of many strands; at one and the same time it commemorated the birth of Jesus, the visit of the Magi, his baptism in the Jordan, and the sign he gave at Cana when he turned the water into wine. All of these, it may be suggested, are “epiphanies” or “manifestations” of the divine—every one of them cause for joyful celebration.

In Western Christianity the focus of the feast has narrowed down to the visit of the wise men known as the Magi. Yet in itself this exotic story invites us to let our horizons be thrown wide open.

Those who come searching for the Messiah are foreigners from afar possibly magicians and astrologers. They are sincere seekers for the truth who “divine the mystery” before them. In telling their story Matthew is anticipating the very last verse of his gospel in which Jesus bids the Eleven to go and make disciples of all nations. The readings for this feast are the same each year.

### THE SAVIOUR OF THE WORLD....

Jesus comes to save all mankind. He is the light of the world. That light goes out from Bethlehem to guide the wise men from the east. They represent all the peoples outside Israel to whom the gospel will be preached. For God's promise in Christ is made to everybody. All are called to be one body in Christ. He will shed his blood 'for all men' and we who share in his body and blood should recognize all as our brothers and sisters, whatever their race, creed or colour.

### THANK YOU

Thank you to all who were able to assist at the Christmas Masses in any way.

The 6 pm Vigil Mass always has a little more, so to all our young people who were part of this Mass, thank you. It was a very special Christmas feeling after such an extraordinary year to see you coming forward to participate in making the bed for the Baby and then sitting around the Sanctuary to remain quiet and reverent during Mass.

May His light continue to shine on us.  
*Maureen*
