The Season of Lent!

Lent is one of the five main liturgical seasons in the Church's liturgical calendar which begins with the celebration of Ash Wednesday, and concludes with the beginning of the Triduum (the evening of Holy Thursday). The word comes from the Middle English *lente* and the German *lenz*, meaning "spring".

Lenten season is a time for repentance, spiritual renewal, and conversion to an authentic Christian way of life. This period is a most appropriate time for Christian prayer, fasting, almsgiving, other penances and works of charity. Lent is a time, therefore, for all the baptised to make sincere effort to turn away from sinfulness in order to respond positively to the gospel and to experience a change of heart in preparation for the joyous celebration of Easter.

Historically, the season of Lent has been a time of dedication to remembrance of the forty days spent by Jesus in the wilderness fasting and praying, in order to prepare for his ministry and his radical call to humanity to repent and believe in God's reign.

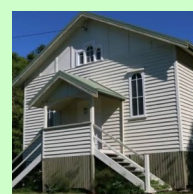

Prior to Lent being officially observed for a full 40 days, Christian communities observed weekly days of fasting and penances, usually on Wednesdays and Fridays of each week. Like springtime itself, each Lenten Season should be a time for spiritual rebirth and renewal for both individuals and the whole communities and cultures. Pope St. John Paul II once reminded Christians worldwide of the significance of making the most of this traditional penitential season through the long-revered Christian practice of prayer, fasting and almsgiving.

As we begin this year's Lenten Season, may it continue to be for us a time of spiritual regeneration and reawakening - a time of grace for us, our families, and for our community.

ARCHBISHOP MARK HAS A MESSAGE FOR YOU

The Good News

from the Archdiocese of Brisbane

The real Mardi Gras is behind us. It was traditionally the last day of Carnival in the week before Ash Wednesday. Carnival means literally "farewell to the flesh/meat". It was a time of serious fun and feasting when the world, as it were, was turned on its head. This prepared for the fasting of forty days through Lent which itself prepared for the feasting of Easter. So we're at a time of the year that puts before us the need both to fast and feast. These weeks of Lent and Easter tell us that if you don't learn to fast you'll never really learn to feast. All you'll do is put on weight. In Australia we're good at feasting but not so good at fasting - in part because we have such an extraordinary abundance of good food all the time. Other parts of the world are not like that. They know hunger and famine; they fast not by choice but by necessity. So we think of them at this time, especially as we [launch Project Compassion](#), which is part of our Lenten sacrifice where those who have too much reach out to those who have too little.

Call to all Catholics

In February and March 2021, the Archdiocese of Brisbane will be inviting all Baptised Catholics to consider their baptismal call to mission

through an advertising campaign, the Call To All Catholics. The advertising will particularly be reaching out to those who are disconnected from the Church and their faith.

All parishes and communities are invited to get involved by:

1. **Giving fliers** to loved ones who have become disconnected from the Church (fliers are being delivered in the mail this week)
2. **Signing up** for the prayer campaign to pray for those who will witness the advertising (Samples below)
3. **Volunteer** to accompany those who respond to the call to go on the journey
4. **Be a welcoming presence** to new faces in the pews

STEWARDSHIP

"After John had been arrested, Jesus came to Galilee proclaiming the gospel of God...."
- Mark 1:14

Do you ever think about how difficult it must have been for Jesus to come into Galilee, knowing that John had just been arrested for teaching the same message that Jesus was proclaiming. It must have taken great love and trust for Jesus to do what the Father had sent Him here on earth to do. In the same way, following a life of stewardship takes great love and trust from us. We must be willing to surrender completely to God, trusting that God will always give us all that we need to fulfil His plan for us.
