COVID VACCINATION REQUIREMENTS

The Archdiocese of Brisbane is committed to protecting our employees, contractors, volunteers and those they serve. As Queensland's borders will open in coming weeks we are preparing for increased risk of COVID-19 infection in the community. Queensland Health continues to urge people to get vaccinated and reminds us that vaccination is the most effective way to lessen the risk of exposure or the risk of passing the virus on to others.

Therefore, the Archdiocese has made the decision that all employees, and contractors will need to have received two doses of a COVID-19 vaccination by 15 December. Some specific volunteer roles will also require vaccination. You can view the [Archdiocesan Vaccination policy here](#) and [FAQs here](#).

Volunteers who are required to be vaccinated under this policy include those individuals who deliver or undertake activities:

- ◆ with children and vulnerable adults
- ◆ in homes, in workplaces, and hospitals and health care settings working with any person
(this is not limited to children and vulnerable adults only)

Volunteers do not have to be vaccinated under this policy where that position is solely related to activities that are purely domestic, social, recreational, religious, or private in nature, including Mass.

Typical volunteer roles that will require vaccination include:

- ◆ Administration work in parish office
- ◆ Extraordinary Minister of Holy Communion who attend to the sick in hospitals or private residence
- ◆ Hospital Chaplains
- ◆ Outreach - Homeless Support including children
- ◆ Safeguarding Local Officer
- ◆ Youth Co-ordinator
- ◆ Ministries involving children such as: Catechists, Leaders of Children's Liturgy of the Word, Sacramental Coordinators and Altar Server Coordinators

Please don't hesitate to contact the People and Culture representatives if you have further questions.

ADVENT WEEK 2 YEAR C

In the birth and death of stars, the building blocks of life in the universe are formed and are spread through creation. In Jesus the Christ, creation is made new and gifted with the life of God, life which does not die. As we continue our preparations for the coming of the Saviour we are called to that change of heart which makes us bearers of God's life in the world.

This week, we have placed our second star .

Archbishop Mark has a message for you

At this late stage in my life I find myself wishing at times that I'd known some things earlier in life that I've come to learn only in recent years. I had this feeling the other day when I spoke at length with a woman who has spent years working with and accompanying people who were sexually abused in their early life. She spoke to me about trauma and even of what she called complex trauma. I found myself thinking, "I wish I'd known this years ago when I first met victims and survivors of abuse". For years I heard the word "trauma" but I had only a very vague sense of what it meant. I'm not sure that I fully understand trauma even now, but I know a lot more about it than I once did; and I certainly understand more of what it means to say that our response to abuse has to be trauma-informed. Trauma, and especially complex trauma, is a very mysterious thing, but its effects are undeniable and devastating, often lasting through a lifetime. An understanding of trauma and its effects helps to explain otherwise baffling behaviour, and it helps us to respond in ways that build a sense of trust and safety. So for me as a pastor it's a matter of better to learn late than never.
