“Take care to guard against all greed, for though one may be rich, one’s life does not consist of possessions.” Luke 12:15

The Gospel message is contrary to modern culture that continually tries to convince us that our joy comes from the material things we possess. That the more we acquire, the happier we will be. Jesus shows us that our true joy comes from our “invisible” gifts like love, mercy and forgiveness. True joy comes from “emptying” ourselves, giving of ourselves rather than always taking. We are called not to hoard but to share. True joy comes from living a grateful and generous lifestyle; become more “God-centered” and less “self-centered.” *(Accessed on July 13, 2022 from www.archstl.org/about-stewardship/bulletin-inserts/weekly-bible-reflections)*

The Plenary Council Outcomes

What is it?

A Plenary Council is the most significant and highest gathering of a local church within a country. The Australian Plenary Council begun in 2018 and concluded in July 2022. The purpose of the Plenary Council has been to discuss the future of the Church in Australia through discernment by prayer and dialogue.

What came out of it?

During the process, representing Catholics from across Australia voted on and passed 18 proposals. Four particular proposals of significance are:

1. Care for Creation:

Committing all Catholic churches and organisations to adopt 7 major goals for responding to the climate crisis.

2. Dignity of Women:

Make changes to policies and practices around the involvement of women, including ensuring women are appropriately represented in decision-making and equally remunerated in employment.

3. Formation for mission:

Ensure leaders have a strong foundation in their faith so that decision-making in mission and ministry comes from a place of faith in God, through creating a culture of personal and communal prayer and engagement in the sacramental life of the Church.

4. Reconciliation:

For the Catholic Church in Australia to formally apologise to First Nations Peoples and actively work towards reconciliation.

What does it mean for me and where to from here?

The Vatican will consider and sign off the proposed outcomes by early 2023. This sign off will allow us to move into the implementation phase and convene Synods and Summits which plot a road map of actions and ensure accountability to the Archdiocese of Brisbane to enact the change required to deliver on the proposals signed off by the Vatican.

In the meantime our Archdiocese will continue to lead the way in a number of the areas identified and begin determining how to embed Plenary Council proposals into our organisation on all levels - from Catholic schools and parishes to religious institutes and Catholic organisations.

Find out more by reading all the proposals here or by visiting the Plenary Council website.
